Examiner's Amendment

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the claims:

Claim 9 has been amended as follows:

Claim 9 (currently amended) A method as in claim 1, wherein each said potential participant is provided with one or more benchmark tasks, said ~~participants'~~ participant's normalized excess capacity being adjusted responsive to performance of said benchmark tasks.

Reasons For Allowance

1. Claims 1, 9-10, 10-16, 18, and 27 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art of record, taken individually or in combination, fail to teach a method, system, and a computer program product for distributing the execution of a computer program across a plurality of computing devices wherein the method, system, and computer program product further contains a committed number of hours for a participating computer and the subsequent determination of a normalized excess capacity for the computer. These limitations along with the partitioning of the computer program into independent tasks of

approximately equal size and the execution, completion, and determination of execution of the tasks is distinguished over prior art. This allows the embodiments of the instant application as claimed, to overcome numerous deficiencies presented by previous solutions to the distributed program processing problem. These limitations, as presented in all independent claims, taken in context of a distributed processing method, system, and computer program product as presented in the instant application is distinguished over all prior art.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance and Examiner's Amendment."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Asad M. Nawaz whose telephone number is (571) 272-3988. The examiner can normally be reached on M-F 8-4:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Saleh Najjar can be reached on (571) 272-4006. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
